

# MODERN COMBAT TILES & TOKENS MEGASET 1

GM's / Players! Need an abandoned warehouse? Parking garage? Corporate office building???  
How about a modern HQ for your heroes or an evil lair for your villains?!

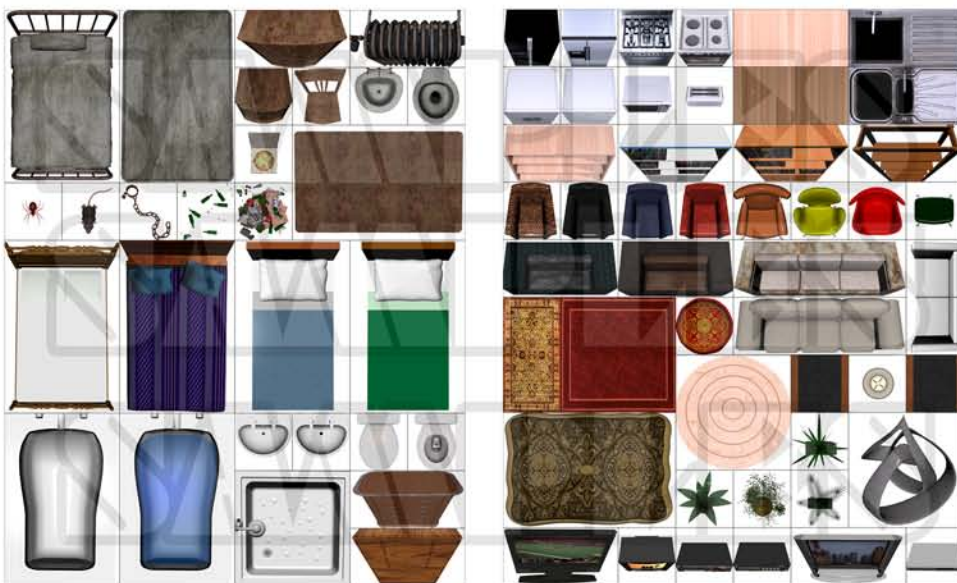

Megaset 1 of Modern Combat Tiles & Tokens has EVERYTHING you need for Modern combat and adventure!

**TEN unique full color tilesets** - designed for maximum versatility in gaming. Print them out and use them as full sheets or cut them out into any shape or size that you need! Each and every tile set is grided with a standard 1"x1" grid that not only works with ALL the tokens in our sets, but is also 100% compatible with most other third party tokens and miniatures. Tiles can be used for roleplaying, miniature wargaming or anything else you can think of!

\*PLUS - Megaset 1 features +2 new bonus tilesets for a total of TWELVE (12) Combat Tilesets!

Each of our tiles is designed to be high quality yet still generic in nature so it fits a wide variety of genres.  
You can use our tiles for Modern, Apocalypse, Future, Super Heroes... even Fantasy settings!

**OVER 125+ Furnishings**  
Lots of accurately rendered illustrations of many different kinds of furniture to populate your maps with. Beds, Dressers, Tables, Chairs, Appliances, Electronics, and more. Even toilets and tubs are included.

You can design almost any kind of modern environment your game needs - from office buildings to warehouses. From sleazy motels to luxurious mansions!

There is a wide assortment of useful and interesting pieces for you to use!
